Completed waivers and immunization submissions must be completed by the child's parent or guardian prior to their first day of camp. ePACT will be automatically sending e-mailed invitations to complete all required information online.

**Just like last year, we will be utilizing ePACT Network for better safety practices, and to reduce our carbon footprint!

- To save you time - With ePACT, you only need to complete your child's information once, and then verify that it is still correct for additional programs or subsequent years (which can be done in just two minutes)!
- Improved privacy and security – Eliminating paper forms ensures that your key information is safe and secure, while authorized staff members can still access this information any time they need it.
- Better support – ePACT makes it easy for you to share comprehensive health and emergency contact details, so we can provide the best support to your child. Plus, you can update this anytime and we will automatically receive those new details.

Check In / Out Procedures

Parents are responsible for signing their children in and out *EVERYDAY* State licensing requires you to **write your initials and the current time on the Sign In / Sign Out sheet when dropping off/picking up your child.** The only individuals who are authorized to pick up your child are those you list on the Emergency/Medical sheet or in writing from the parent.

Parents **MUST** sign the attendance sheet in/out **EVERYDAY** that the child attends. Children will only be released to a parent or approved adult listed on the registration form. Children will not be released to other persons unless designated by written or verbal authorization by parent. If you are unable to sign your child in or out daily, you must write a letter of authorization to give your child, staff or a designated other, permission to sign your child in or out of camp. This letter must be given to the FFC Site Coordinator. Staff assumes responsibility for children from arrival until departure from camp. In the event that the children and staff are off campus on a field trip, information on location and a return time will be posted at the door.

Late Arrivals

- Our daily camp activities begin no later than **9:00 am**; please make sure your child is there by this time each day. Field Trip days will require an early departure. Please check the weekly camp emails to be prepared for daily activities.
- Check the camp schedule to see if there is an off-site activity scheduled.
- If you are going to be late to camp please call the camp cell phone **ASAP** - (970) 418.0898
 - Discuss with staff **when** you anticipate arriving at camp and **where** your child's group will be at that time.

When children arrive late to camp, the following procedure is in effect:

- The parent or guardian must locate a staff member and inform them of their late arrival.
- Parent or guardian must then **sign in** the camper(s).
- The child will then be given the opportunity to join an activity or their respected age group.
- If a field trip has been planned and the child arrives after the group has left, he/she **must be transported by the parent or guardian to the field trip location.**
- If your child misses the transportation for any given field trip, you will **not** receive a refund for this day. It is your responsibility to be on time.
- All field trips are subject to change due to unforeseen circumstances
- The location and length of time at the field trip site will be stated in the weekly email.

Personal Belongings

Please do not allow your children to bring any toys, money and other personal belongings to camp. If any of these given items are needed for the day's activities, parents and campers will be given at least 48 hours notice. We cannot be responsible for these items if they become broken or misplaced. The proper place for these items is at home. Special items for any given day will be listed in the weekly email.

FFC requires your children to bring appropriate footwear for outside and indoor play, water bottle, sunscreen, rain jacket and a backpack. Please label all of your children's belongings. Children will use a basket or cubby to contain their belongings while at camp.

Clothing:

Please send children in weather appropriate clothing with shoes that can get wet and dirty. We utilize the Peninsula Recreation Area grounds, take walks, paint, ride bikes/skateboards/scooters and go to local parks to name a few of our activities so please keep this in mind when dressing your camper. We will go inside during inclement weather. **Please mark your child's name on all items.**

Lunch

Each child **must** bring a **sack lunch and at least 2 snacks** that do not require refrigeration every day. You may bring a small cooler with the camper's name clearly labeled. If you need new lunch or snack ideas for your child, feel free to ask one of our counselors and they can share some ideas with you of what other kids in the program pack in their lunch.

Medications

Administering medications to a child must be pre-approved **in writing by the child's physician**. All medications must be in their original container with physician's instructions on the label and/or written instructions from the physician. All medications will be kept in a locked box and out of reach from all children. Staff will record all administration of medicines in the site medical log.

A doctor's permission is not needed for staff to apply sunscreen, but each child must have their own bottle labeled with their first and last name. Children may apply sunscreen to themselves under staff supervision.

Standards and Expectations

Throughout this summer our goal as counselors is to be safe and have as much fun as possible. In order to accomplish these goals we have developed a list of standards and expectations you should discuss with your child.

- Staff, campers, and parents will conduct themselves in a respectful and courteous manner while in attendance at Fun Club.
- The camper should always have appropriate attire for the days' activities, which may include warm clothing, appropriate footwear, swimsuit, towel, water bottle, sunglasses, sunscreen and hat.

- Parents should provide their camper with a hearty lunch and 2 snacks every day, campers are in full motion all day long and need continuous sustenance.
- Please be on time! Be courteous to pick-up and drop-off times; ***please call ahead if you will be late***. Also note that the child must be strictly on time for departure to or from our all day trips, we cannot wait for one child in order to make others late. If you arrive late and the activity has departed please call (970) 418-0898.
- During all activities **no electronics** are allowed. The exception to the rule is on van rides, electronics will only be allowed in the van to help pass the time while we are traveling. Please do not bring personal belongings of value. We are not responsible for lost or stolen property.

Discipline Policy

This discipline policy is designed to help campers develop accountability, self-control and responsibility when attending a Town of Frisco Recreation program. Staff will take reasonable measures to assist and redirect a child's undesirable behavior. Please remember that safety of all program participants and staff is our first priority.

Undesirable behaviors in any Town of Frisco Recreation Program include, but are not limited to the following:

- a) Actions attempting to or resulting in harm to themselves or others (physical, emotional or verbal).
 - b) Repeated interference with the Town of Frisco's ability to provide a safe environment to participants and staff.

 - d) Bullying, teasing or taunting of others.
 - e) Chronic or extreme disruptive behaviors.
 - f) Bringing dangerous or hazardous weapons or materials to any recreation program.
- **First Warning*:** Participant will be given a verbal warning by staff and then provided with an age appropriate redirection. This interaction/behavior will be promptly relayed to the Recreation Programs Coordinator. Parent/guardian will be notified and staff will place a written document in camper's file to document the incident. (A parent/guardian will be called and asked to meet with the Recreation Programs Coordinator or Manager to discuss what actions can be taken to alleviate the situation.)
 - **Second Warning*:** Participant will be required to meet with the Recreation Programs Coordinator or other designated staff to discuss their actions and review the plan of action moving forward. This interaction/behavior will be promptly relayed to the Recreation Programs Manager. Parent/guardian will be notified and staff will complete an 'Incident Report' that will be reviewed with the parent/guardian upon camper pick up. Staff will complete an 'Incident Report' and the Recreation Programs Coordinator will set up a time to meet with the parent/guardian and Recreation Programs Manager 24-48 hours following the incident. A discussion will take place on how to proceed.

**Please note that the participant may be asked to leave the program for the remainder of the day at the discretion of the Recreation Department staff at any point and time. If the undesired behavior takes place on a field trip, the parent may be asked to drive to any designated location to pick up their child.*

Recreation Department Staff reserve the right to immediately terminate a participant from a program. Chronic and/or extreme behavior may warrant dismissal at the discretion of the Recreation Programs Coordinator. Any participant that is dismissed from a Town of Frisco recreation program will jeopardize their ability to return to any future recreation programs or events. In the event a child is dismissed from a program for any period of time, the registration fee is non-refundable.

Special Needs

Parents of campers with special needs must contact the Recreation Programs Coordinator at (970) 418-0898 at least 5 working days in advance (not including weekends) so that we can determine what reasonable accommodations can be made to allow for the use of our programs or facilities.

Illness, Disease, Accidents and Injuries

- Staff is certified in Child/Infant/Adult CPR and Basic 1st Aid. State Licensing requires that parents keep their children home when he or she shows any signs of an illness or injury. In the event that a child comes to the program ill or injured or becomes ill during program hours, the child will be isolated and parents will be asked to pick up their child immediately. According to the State Health Department of Colorado, all contagious diseases must be posted by the Day Camp program on the parent's bulletin board.
- Campers may not attend camp until they are symptom free for at least 24 hours. This includes but is not limited to fever, vomiting, diarrhea, etc.
- In the case of a medical emergency, every effort will be made to reach the parents. If parents cannot be reached, we will contact emergency phone numbers listed on the registration form. Emergency medical treatment (by professionals) will be given when all efforts to reach parents or guardian have failed. Children will be transported by ambulance personnel or staff to the closest medical facility. The Recreation Programs Coordinator will submit an accident report to the state.

Inclement Weather Policy

In case of excessively hot, cold or inclement weather, children will be brought into a secure environment to protect them from the weather. Always prepare your child with proper clothing for all weather conditions, comfortable foot wear for walking and hiking, and a sturdy backpack to transport belongings.

Natural Disaster and Emergency Plan

In the event of a natural disaster (*flood, severe weather, building destruction, missing child, severe injury or illness*) the following plan will be implemented. The first priority is the safety and welfare of children and staff. Every child and staff member must be accounted for. Staff will remain calm when talking to children, staff, emergency personnel and parents. The coordinator will have an attendance sheet and emergency telephone numbers of children and staff.

1. On-site coordinator will make an assessment of the situation to determine:

- Emergency status.
- Safe area to direct children and staff.
- Appropriate first aid if needed.

2. Notify local authorities (police, fire department, etc.) with details of the situation.

- Name of person making call, program name, address, telephone number and location of children and staff.
- Request emergency transportation or first aid if needed.

3. Notify the Recreation Manager at (970) 668-9133

4. Notify parents with the following information:

- Situation and status of child.
- Where to pick up their child.
- Authorities who have been notified.

At Frisco Fun Club, we have an extensive emergency response plan that covers many circumstances. If you have any questions or concerns or would like to view this plan, please contact the Recreation Programs Coordinator.

Fire Drill Policy and Procedures

In case of fire during a FFC Program, the fire alarm system will activate. The Site Coordinator will also select a time to simulate the fire alarm system and evacuation once a month. In the event of an actual fire the Site Coordinator will implement the following fire emergency procedures:

- Camp coordinator will pick up attendance and if time permits, emergency contact information.
- Children will be instructed to leave personal items in the building and to move quickly and quietly to the designated safe area outside of the building.
- Once children and staff are located in the designated safe area, the coordinator will use the attendance sheet to take roll call and conduct a head count.
- Children will be instructed as to proper behavior during a fire drill or a fire emergency.
- Each of these procedures is to be performed in a calm, orderly manner.
- We will hold monthly fire drills at Frisco Fun Club.

Field Trips & Special Activities

- Transportation will be arranged for field trips through 15 passenger vans, a school bus, public or resort transportation.
- Children will be instructed on appropriate behavior and van rules before and after they enter the van. Staff will take attendance of the children entering and departing the van. Emergency procedures will be explained to the children by the van driver prior to the van leaving the site.
