## **Directions**

**To the Frisco Bay Marina** (race start and post-race party locations) located at the East end of Main Street at 267 Marina Road, Frisco, CO 80443. *Please note that some GPS systems do not recognize this address correctly and will take you to Dillon, Colorado.*

**From I-70:** Take Exit #205 and head South on HWY 9. **Drive approximately 1 mile** and turn left at Main Street/Marina Road stoplight into the Frisco Bay Marina

**From Breckenridge:** Follow HWY 9 into Frisco and turn right at Main Street/Marina Road stoplight into the Frisco Bay Marina.

**To the Pine Cove Boat Ramp** (transition area/gear drop off)

**From I-70:** Take Exit #205 and head South on HWY 9. **Drive approximately 2.5 miles** and turn left at Recreation Way stoplight. Turn right onto Peninsula Road when you see the 'White River National Forest/Peak One Campground' sign. Remain on Peninsula Road; it will dead-end into the transition area. Please follow staff directing you where to unload you gear.

**From Breckenridge:** Follow HWY 9 into Frisco and turn right at Recreation Way stoplight. Turn right onto Peninsula Road when you see the 'White River National Forest/Peak One Campground' sign. Remain on Peninsula Road; it will dead-end into the transition area. Please follow staff directing you where to unload you gear.

## **Racer and Spectator Parking**

All racers **MUST** park at the Frisco Bay Marina (\*P) or Town of Frisco side streets; there is no racer parking at the Transition Area. Racers may only temporarily park their car at the Transition Area to unload their gear. **Parking is limited this summer due to construction at the Marina; carpooling is highly encouraged!**

There will be very limited spectator parking available near the Transition Area. There is a 'day-use' (\*DU) parking lot that is operated by the United States Forest Service and each vehicle must pay \$7 to the parking attendant when they arrive. Please have exact cash to pay for parking here.

There is a 'free' parking (\*FP) area about one mile from the Transition Area. It is a paved parking lot located at the entrance of the Campground Road. Space is limited here and there is no sidewalk to the Transition Area however, the majority of traffic on this road is people coming and

going from their campsite. Parking is also available at the Frisco Day Lodge that is about 1.5 miles from the Transition Area. This lot is ideal for spectators that have a bike they can ride to the Transition Area.

### **Start Area Information**

The Frisco Triathlon will start at the Frisco Bay Marina with the SUP portion of the event. **NEW this year will be a LAND start.** Racers will enter the water on the new beach located on the north side of the Marina offices; the new beach is very large and will be able to accommodate all racers. Racers will line up near the sidewalk that parallels the beach, boards and paddle in tow, and walk or run to the water where they will get on their boards.

### **Transition Area Information**

The Transition Area (\*TA) is located at the Pine Cove Boat Ramp on the Frisco Peninsula. All race transitions will take place here. The Transition Area will be open from 7am-8:30am on the morning of the race for athletes to drop off their gear. Athletes will need to drop their bike and running gear during these times. Remember, there is no long term parking at the Transition Area; our staff will direct you where to park while you drop off your gear. Please come prepared and do not plan to park your car for more than 15 minutes while you set up your gear.

- There will be two port-o-let's located at the transition area for athletes.
- There will be an aid station with water, Nuun hydration, bananas, pretzels and gummy bears located at the transition area.
- Only athletes are allowed in the transition area.
- No biking in transition area; you must walk your bike out of transition area before you mount and dismount before entering transition area.
- There will be a designated area for teams to stage the transition area.
- Please note that the transition area is located on asphalt. We recommend you either wear shoes on the SUP or have a pair of flip flops on the SUP with you as you may want them to transition to avoid running on the asphalt barefoot.
- Transition area and SUP storage area closes at 1pm; all gear must be removed by this time. The Town of Frisco is not responsible for gear that is left unclaimed after this time.

## **Finish Line Information**

The Finish Line is also located at the Transition Area at the Pine Cove Boat Ramp. Here is what we need you to do after you finish the race:

- Stay clear of the finish line
- Grab some water, snacks and cool down
- Pack up all of your belongings, get on your bike and head back to the Frisco Bay Marina for the post-race party; the ride on the rec path is about 1.75 miles from the transition area to the Marina.
  - Please follow the signs/volunteers directing racers out of the transition area and onto the Summit County Rec Path. DO NOT BIKE THROUGH THE CAMPGROUND TO GET TO THE MARINA. We do not want to disturb people staying in the campground.

## **What About My SUP?**

Don't worry, we'll help get your SUP back to the start area at the Frisco Bay Marina! We will have our Marina staff move SUP's from the transition area to the start area by boat. We'll take your paddle too. Here is what we need YOU to do in order to have your gear returned to you:

- We need you to clearly label your SUP and paddle with your bib number. We will have tape and a permanent marker available for you to use; please label your board prior to the actual race start.
- If you have an inflatable SUP, we do need you to bleed out some of the air pressure in order for us to safely transport it. Please do this once you dismount your board in the transition area.
- Please pick up your SUP as soon as you arrive at the start. Race staff will keep the SUP's secure until 1pm; it is your responsibility to pick up your gear by this time. Race staff is not responsible for any gear that is left unclaimed after 1pm on Saturday, July 13. You MUST present your bib in order to pick up your gear. No bib, no gear. This is for the safety and security of your gear so please follow these rules.
- If you do not want us to transport your board for you, we will have a separate area for you to drop your board. If you have a friend/family that will pick up your board, they must be there for the hand off; only athletes are allowed in the transition area, we will have a separate space that they can stand to take your board from you. Talk to us at the transition area if we are not transporting your board so you know what is expected of you.

## **Equipment**

Athletes are responsible for supplying their own equipment for the Frisco Triathlon. Here is a checklist of the basic gear you'll need:

1. Stand Up Paddleboard
2. Paddle
3. Personal Flotation Device (PFD) (waist belt PFD's are permitted)
4. Mountain Bike (a mountain bike is required; road and hybrid bikes will not work on our single track trails)
5. Helmet
6. Flat Kit
7. Running Shoes
8. Water Bottle
9. Sunglasses
10. Transition Towel (if desired)
11. Sunscreen

### **PFD Policy**

All athletes participating in the Frisco Triathlon must wear a PFD while in the water for the SUP portion of the event. The PFD must be on the body of each athlete, properly fitted and secured. If any athlete needs assistance fitting their PFD please find a race staff member prior to the start of the race. Waist Belt PFD's are permitted at this race. Failure to wear a PFD will result in disqualification.

### **Wetsuit Policy**

Wetsuits are not required for the Frisco Triathlon.

### **Clothing Changes at Transition Area**

Please be mindful that any clothing changes will take place at the transition area. Please plan accordingly and know that nudity is strongly prohibited.

### **Helmet Policy**

All competitors are required to wear a bike helmet during the mountain biking portion of the event. Failure to do so will result in disqualification.

## **Competitor Rules and Safety**

- Safety of all competitors, staff and volunteers is our number one priority. We will have Summit County Water Rescue on site for the SUP portion of the event.
- Display good sportsmanship.
- Avoid collisions with other competitors at all times.
- Do not purposely obstruct or interfere with other competitors
- A competitor must be standing while paddling once the race has started. The exception with this would be for safety reasons where a competitor needs to avoid a potentially dangerous situation.
- A competitor may only use the paddle to propel the SUP forward.
- A competitor must wear a properly fitted and secured PFD while on the water.
- If you need to pass another racer, slow down, use caution, and verbally announce yourself and wait for safe place to pass.
- If you need to dismount and walk your bike during a portion of the course, please be sure to leave the trail clear for other racers who may be coming up behind you.
- You can find more information on responsible riding from the International Mountain Bicycling Association (IMBA) website; <https://www.imba.com/ride/imba-rules-of-the-trail>

## **Aid Stations**

Aid Stations will be stocked with the following: water, Nuun hydration, bananas, pretzels, gummy bears, sunscreen and basic first aid. There will be three aid stations at the event:

- Transition Area
- Bike Course @ ~mile 4.5
- Run Course @ ~ mile 2.5

## **Race Bibs**

Bibs must be visible on the front of your body in order to get an accurate reading from timing.

Teams of three racers will receive one race bib. Bibs must be visible on the front of your body in order to get an accurate reading from timing; team members will need to **hand-off** the race bib at the transition area.

## **Timing**

Professional Timing services will be provided by Maverick Sports. This race will be chip timed. We will provide transition times for all athletes. Race results will be posted starting around 11am on the lawn at the Frisco Bay Marina. Race results will be posted at [www.friscorecreation.com](http://www.friscorecreation.com) by 5pm on Saturday, July 13<sup>th</sup>.

## **Awards**

The award ceremony will take place on the lawn at the Frisco Bay Marina at ~12:30pm.

We were going to have an elite division for the 2019 race, however, we did not have enough athletes register in the elite wave and therefore we will not have this wave.

Here are the categories for the awards:

1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> place overall male, female and team finishers

1<sup>st</sup> place male/female in the following age categories: 19 and under, 20-29, 30-39, 40-49, 50-59 and 60+
